Your course—our passion

Promoting and supporting those who help maintain golf courses across British Columbia—that's the objective of the BC Golf Superintendents Association. But our purpose extends beyond the fairways and greens of our great golf courses.

Mission

The British Columbia Golf Superintendents Association is a society to promote and support the Golf Course Management profession in British Columbia.

Values

Promoting fraternity, benevolence, justice and mutual understanding to and for its members. Create more efficient golf operations, better turf and playing conditions through promoting and participating in turfgrass research while applying scientific and practical knowledge to the care of golf courses.
