

GOLF COURSE CONSTRUCTION ASSISTANT SUPERINTENDENT

CABOT REVELSTOKE

ABOUT CABOT REVELSTOKE

Located in the majestic mountains of beautiful British Columbia – and nestled between the town of Revelstoke and the meandering Columbia River, Cabot Revelstoke features the world-renowned golf, amenities, and real estate you have come to expect from Cabot, upstaged only by the majestic natural beauty surrounding them. With a small number of exclusive, private residence opportunities and multiple dining and leisure options, Cabot Revelstoke has something for every kind of adventurer, all within steps of world-class golf and skiing.

If you join our team, you will live our values:

Confidence, Authenticity, Humility, Warmth

JOB DESCRIPTION / DUTIES

You will support the Golf Course Superintendent and Assistant Golf Course Superintendent by overseeing the preparation and installation of irrigation, drainage, and critical infrastructure of the golf course grounds. This includes meeting or exceeding established standards in the development of the Cabot Pacific Golf Course.

- Lead by example, setting the benchmark of performance in innovation, motivation, and resiliency for the turf care team
- Allocate resources and equipment for crews to ensure all tasks are completed in a timely manner
- Maintain accurate records for all irrigation and drainage layouts
- Collect and update irrigation and drainage inventory levels
- Oversee the installation and maintenance of all erosion control measures
- Direct training of new employees and provide coaching on day-to-day performance
- Recommend new methods and procedures designed to improve operations, minimize maintenance costs and improve course conditions
- Maintain knowledge of current industry developments through continuous learning, attention to golf industry periodicals and participation in relevant trade associations and organizations
- Perform additional duties as required

QUALIFICATIONS / REQUIRED SKILLS

- Ability to calibrate sprayers, spreaders, scientific instruments, irrigation control software, etc
- Basic understanding of mechanical operations of engines and hydraulics
- Experience with irrigation repairs, analysis and scheduling
- Strong problem-solving skills
- Basic computer skills, including email and Microsoft Office
- Adaptive leader with the ability to work independently and as a part of a larger team
- Knowledgeable and passionate about the game of golf and the role the golf course plays towards the guest experience and expectations
- A diploma or degree in Golf Course/Turfgrass Management or a related field
- Demonstrates experience and competency in turfgrass agronomic practices and procedures
- The ability to obtain and maintain a British Columbia pesticide applicator license and IPM Certification within 90 days of employment
- Positive can-do attitude, professional manner, and appearance in all situations
- Eagerness in pursuing a career towards Golf Course Superintendent or similar discipline
- Willingness to learn, listen, and adapt to new ideas or initiatives

ADDITIONAL INFORMATION

- 58,000 – 68,000 DOE
- Full Time
- Overtime Shifts are expected
- Opportunities to advance within our organization

This posting will remain open until the position is filled.
