Education

We are thrilled to welcome **Dr. John Dempsey** as our virtual guest speaker.

Expect a dynamic morning filled with an excellent presentation and interactive discussions. Don't miss it!

John J Dempsey, PhD BSc (Hons)

Independent Turfgrass Research, Ireland

From LinkedIn

John began greenkeeping in the 1980's and was Superintendent of Ireland's oldest golf course –The Royal Curragh from 1993 to 2019. Always had a keen interest in sportsturf education John has undertaken courses beginning with basic greenkeeping at the Botanic gardens in Dublin to a 1st class Honours Degree in Turfgrass science at Myerscough College in the UK. Completed a PhD during 2016 in Turfgrass pathology in the Centre for Research in Biosciences at the University of the West of England, Bristol.

John has conducted independent research on turfgrass disease management for the past 10 years, covering extensively the subject Microdochium nivale infection of turfgrasses, turfgrass responses to infection and the effect of phosphite treatments on disease suppression, turfgrass growth and quality. John has presented the results of his research at numerous conferences and seminars in Ireland, Scotland, France, Germany, Norway, USA, Canada and at BTME in Harrogate.

Leave a Hat - Take a Hat

Don't forget your hat!

Back by popular demand, the BCGSA Hat Exchange will be available at the event. Bring a hat from your golf course and exchange it for another one.

SWING & SWEEP CHAMPIONSHIP

The BCGSA Northern Chapter and the Prince George Golf and Curling Club are excited to be hosting the 2025 Exchange Event. With the PGG+CC playing host, we have a unique opportunity to put on the first ever BCGSA **Swing and Sweep** championship.

The 2-day event will combine curling and golf to determine the best multi-talented team in the province.

Registration

Everyone is encouraged to register for both golf and curling even if you have never curled before. Curling instruction is included and will be led by **Patti Knezevic**, a **Provincial Scotties Tournament of Hearts Champion**, so this is a great opportunity to try a new sport. Attendees will register with a golf handicap and curling skill level then teams will be assembled with a mix of experience.

Game Time & Strategy

After the Meet & Greet and curling instructions, each foursome will play three two-end games of curling for a total of six ends. Each team will have the advantage of the last rock once per game. Since your curling team is also your golf team, the goal is for your team to score as many points as possible in each end as your total points scored will carry over to the links the next day.

Scoring

Your total points from curling will be subtracted from your team golf score at the end of your round to determine the first ever Swing and Sweep Champions. Those four names will be forever etched on the uniquely Northern **Swing and Sweep** Cup.
