

GREENTEE COUNTRY CLUB

WESTWOOD PLATEAU

About the Club

Greentee Country Club - Westwood Plateau is a 27-hole Facility designed by Dr. Michael Hurdzan. With 2 maintenance shops, 2 clubhouses, a driving range and world-class views of Mt. Baker, it is a unique place to play, and work. The position comes with the opportunity to be a part of the exciting upgrades to the course and property, both ongoing and planned, including: a 19-hole bunker renovation, driving range and learning facility rebuild and an ongoing equipment fleet upgrade – including the introduction of more electric equipment.

Equipment Manager

Greentee Country Club - Westwood Plateau is now accepting applications for the position of Full-time Equipment Manager. The successful candidate will be responsible for the management and execution of both a curative and preventative maintenance program for all golf course equipment. This includes the organization and operation of a two-bay mechanical shop with appropriate tools, hydraulic lift and a sharpening room. It is expected that the Equipment Manager will be a professional and driven individual who will act as a representative and leader for the maintenance department and as an extension of the Golf Course Superintendent.

Responsibilities

- Supervise and coordinate a detailed maintenance program for all golf course equipment
- Mechanical repairs and maintenance to a variety of gasoline, diesel, hydraulic and electric equipment in a safe and cost-effective manner
- Plan and budget for all supplies in accordance to the annual goals of the turf care department
- Develop a detailed record keeping program for all equipment using ASB tasktracker
- Supervise, train and lead the development of an Assistant Equipment Manager
- Maintain a positive, safe and motivating work environment

Required Qualifications

- Formal mechanical training, or equivalent / relevant experience
- Familiarity in the safe and proper repair of all types of golf course equipment
- Sound understanding of reel grinding, mower set up and adjustment
- A background in welding and fabrication would be considered an asset
- Capacity to use a computer and the ability to problem solve quickly
- Able to communicate effectively both verbally and in written form
- A valid class 5 BC drivers license is required for the position

Compensation and Benefits

- Hourly wage of \$32 – 38, based on experience
- Health and dental benefits as well as an educational allowance.
- Free golf and staff discounts on restaurant meals, pro shop items and range balls.
- Flexible work schedule.
- Potential for extended time off during the off season (mid-November to mid-February) for the right individual

Interested applicants can apply by submitting a resume and cover letter, in confidence to:

mike.putrus@gtccwestwoodplateau.com

For orientation and training purposes with the on-site personnel, we are looking to fill this position immediately. However, start date can be flexible for a well-suited applicant.

We thank you for your interest, but only those selected for an interview will be contacted.
