

Equipment Technician/Mechanic

Mountain View Golf Club — Whitehorse, Yukon

Position Overview:

Mountain View Golf Club is seeking the services of a skilled, self-starting Equipment Technician/Mechanic. Reporting to the Superintendent, this position is responsible for all the preventative maintenance, daily set-up and repairs to the equipment and golf cart fleet.

Why Work with Us:

- Opportunity for continuing development attending conferences and dealer specific training to assist in the maintenance of our predominantly Toro/Yamaha fleet
- Supportive team environment with a part-time shop assistant trained in reel theory, grinding, adjustments and daily set-up
- Tool, clothing and travel allowances
- Flexible working schedule and term
- Golf Privileges and Pro Shop Discounts
- Unique experience working at Canada's northernmost championship golf club with endless outdoor/recreation opportunities at your doorstep

Main Responsibilities:

- Establishing and overseeing preventative maintenance program
- Troubleshooting, repairs and servicing all maintenance equipment and golf cart fleet
- Maintain clean work environment and follow all company policies and safe working conditions
- Accurate and diligent record keeping of all service and repairs
- Maintain adequate parts inventory
- Coordinate with the Superintendent on asset and parts purchases to remain within budget
- Daily quality of cut and after cut appearance checks
- Assist with supervisory duties when required
- Ability to operate all machinery and periodically perform other golf course maintenance tasks when necessary and appropriate

Qualifications:

- Minimum 2 years' experience as an equipment tech/mechanic or assistant preferred
- Experience working with Toro and Yamaha equipment is an asset

- Ability to work independently and within a team environment
- Proficient in electrical and hydraulic systems
- Experience in sharpening, maintenance, repairs and daily set-up of cutting units
- Welding/Fabrication experience an asset
- Positive attitude and effective communication skills
- Valid Class 5 Driver's License required

Compensation & Benefits:

- \$35-45/hour depending on experience (\$70-90K for year-round employment)
- Association dues and professional development budget
- Tool, clothing and travel allowances
- Full golfing privileges and pro-shop discounts

Work Environment and Schedule:

- Flexible 8–12-month term depending on individual (4 weeks' vacation for year-round employment)
- Full-time flexible work schedule averaging 40 hours per week

Closing Date: December 31, 2025

Start Date: March 1 - April 1, 2026 (flexible)

Please submit resume with a cover letter and two references to:
