- Participate in the application of chemicals as well as liquid and granular fertilizers
- Take part in the monitoring, scheduling and repair of the irrigation system
- Responsible for the supervision, mentoring, and training of the turf care team alongside the Superintendent and Assistant
- Prepare clear and concise reports and maintain effective employee and member relations
- Assist in planning, supervising, and layout of all construction on the Course
- Provide a strong vision for continually striving to improve playability of the golf course and improve the aesthetics of the golf course grounds
- Promote safe work practices and contribute to a respectful, professional workplace environment

Qualifications:

- Possess a degree, diploma, or certificate from a recognized turf management program
- Minimum of 3 years' experience in a turf management role is preferred
- BC pesticide applicators license or the ability to obtain one
- Valid driver's license
- Supervisory and team management skills

Compensation:

- Full-time year-round position
- Wage \$60,000 – 70,000 annual salary based on experience and suitability
- Comprehensive health benefits
- Free meals and golfing privileges
- Cell phone allowance
- Turf association membership, dues, conferences, and licenses
- Clothing, safety gear, rain gear
