

Position: Assistant Superintendent

Golden Eagle Golf Club is a 36-hole facility located in Pitt Meadows, British Columbia. We are currently seeking a positive individual who is looking to further their career in the turf grass industry.

Job Description:

- Full-time, year-round, salary position
- Reports to the Superintendent and Senior Assistant Superintendent
- Supervise a maintenance team of 25-28 during the summer months

Primary Responsibilities:

- Assist with the planning, scheduling and supervision of our day-to-day maintenance practices.
- Assist with the training and development required for new and returning team members.
- Provide feedback on all course activities and turf health issues.
- Provide feedback on all team members' performances.
- Ability to perform any irrigation repairs and maintenance required to the irrigation system.
- Assist with irrigation set up for overnight watering.
- Assist in the planning and application of all fertility and chemical applications.
- Assist with planning and scheduling of our year-round cultivation practices.

Qualifications

- Degree, diploma, or certificate from a recognized turf management program.
 - Any students currently enrolled in a turf program are encouraged to apply.
 - Anyone interested without formal education who has 5 plus years of golf course experience, are encouraged to apply for this position as well.
- Experience with golf course irrigation systems.
- Pesticide Applicator License or ability to obtain one within a reasonable timeframe.
- Valid driver's license.

Compensation & Benefits:

- \$67,000 – \$72,000 salary
- Medical & dental through Equitable Life of Canada
- Meal plan
- Dues and conference allowance to local associations
- Footwear/workwear allowances
